Case No. 18-cv-07182-EJD (SVK)

**ORDER DENYING WITHOUT
PREJUDICE STIPULATION FOR
GREYSTONES CONSULTING GROUP,
LLC'S PRODUCTION OF
DOCUMENTS**

Re: Dkt. No. 158

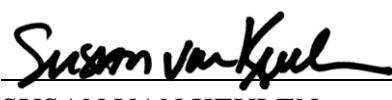

12 The Court is in receipt of the Parties' stipulation and proposed order for Greystones
13 Consulting Group, LLC's production of documents. Dkt. 158. The stipulation is **DENIED**
14 without prejudice for the reasons set forth herein.

15 The stipulation provides, in relevant part, for an open-ended extension of discovery
16 specifically for a complex document production, as well as an open-ended extension to bring
17 discovery motions arising out of the production. The Court will not accept a stipulation that does
18 not have a deadline for bringing any further dispute arising out of this production, as well as
19 interim deadlines for identification of deficiencies in productions. *See, e.g.*, Section I, ¶¶ 3, 5 and
20 Section V.

21 The Parties are directed to meet and confer and re-submit the stipulation no later than
22 **December 12, 2022.**

23 **SO ORDERED.**

24 Dated: December 6, 2022
